

INC. 5000 SERIES 2020

Congratulations again on making our first-ever Inc. 5000 Series list in the Midwest!

For decades, *Inc.* has welcomed the fastest-growing private businesses in America to the 5000, but in 2020 you and the other winners truly set yourselves apart as our first regional honorees.

Companies that made the list for the Midwest grew, on average, 360 percent between 2016 and 2018—even while the broader economy grew just 10 percent. That's a result most other businesses could only dream of.

As an Inc. 5000 Series honoree, you now share a pedigree with Intuit, Zappos, Under Armour, Microsoft, Jamba Juice, Timberland, Clif Bar, Pandora, Patagonia, Oracle, and other notable alumni.

Welcome to a very exclusive club.

Congratulations again, and we wish you many more years of success—and many more years on the list!
